Dear Fellow Alumnus,

Please join us!

In late 2020, we set a huge goal. We set out to raise \$500,000 for capital improvements at Dominguez Seminary, home for our senior Claretian priests and brothers. We want to complete this campaign as part of the Dominguez Centenary Celebration in 2024, the 100th anniversary of the seminary's founding.

Response has been overwhelming and heartening. Our first year goal was set at \$40,000 from alumni, with another \$60,000 coming from Claretian friends matching our gifts. Well, alumni exceeded that goal and contributed \$53,265 this first year. With matching donors and friends, \$130,000 was raised in the first year -- A big step in meeting the \$500,000 goal.

We are well on our way, but we need you to join the alumni who are supporting this campaign, which benefits the senior priests and brothers from throughout the United States. The need is growing as more Claretians enter retirement.

The \$500,000 fund will go towards modernization of the Dominguez Seminary building, making it safe and comfortable for the residents.

Please take a moment and consider how you might help the retired priests and brothers - our mentors, our teachers, our friends. Please make a five-year centenary pledge. If that is not possible, please send a one-time gift. We appreciate and thank you for whatever you are able to do.

Sincerely,

Robert Loera '63

PS: Several of our alumni made tax-wise gifts through IRA Charitable Transfers. More information is available from John Crowe '64 at 213-999-6380.
